FINANCES

EXPENSES

The rates for tuition and student fees, and for living expenses in University housing are determined by the Minnesota Legislature and the Minnesota State Colleges and Universities Board and are subject to change without notice.

Tuition: Resident/Non-Resident. Students who are not permanent residents of the state of Minnesota are charged a higher rate of tuition than are residents of the state. The MnSCU Board establishes the criteria by which student residency, for tuition purposes, is determined. Generally, a student’s permanent residence is that location at which a student has graduated from high school, and where parents or legal guardians permanently reside. A classification of non-resident can be changed to resident at any time residency requirements are met. Students desiring to change their residency may obtain information concerning the specific requirements from the Office of the Registrar.

Tuition: Reciprocity with Other States. Students who are residents of North Dakota, South Dakota, Wisconsin, and Manitoba can attend Minnesota State University without paying non-resident tuition. Students from Kansas, Michigan, Missouri, and Nebraska can attend Minnesota State University at a rate less than the non-resident tuition rate. Students desiring the reciprocal rate must complete a reciprocity application form, available in the Office of the Registrar, and send the form to the Higher Education Board of their home state. Students may also obtain a form from a nearby postsecondary school.

Student fees are charged per credit hour and are the same for resident and nonresident students. The fees for the 2004-2005 academic year were $29.95 per credit hour. The $29.95 per credit hour fee was distributed to support the following services: $10.20 Student Union fee, $8.40 Student activity fee, $3.88 Health Services fee, and a $0.00 Academic Computer Lab fee. The above fees are charged through the first 12 credit hours. A Minnesota State University Student Association fee of $7.39 is charged through 15 credit hours. Fees are determined at the close of each academic year. Information about student fees for 2005-2006 can be obtained by calling the Office of Student Affairs, 507-389-2121 or (MRS/TTY 800-627-3529 or 711.)

Other Course Related Costs. In addition to tuition and fees, there may be additional course-related costs associated with enrollment in certain classes. Special costs include, but are not limited to, those for supplies and materials, facility use, liability insurance, or conference attendance costs.

Senior Citizens Fees. Minnesota senior citizens aged 62 and over may enroll for any course fee of charge if they do not desire degree credit. An administrative fee of $20 per credit hour will be assessed if degree credit is desired. No activity fees will be assessed, however, any laboratory and/or course fees will be required regardless if taking the course for credit or audit. For further information contact the Office of the Registrar, 507-389-6266.

Return of Federal Financial Aid Due to Withdrawal. When a Federal financial aid recipient withdraws completely from the University, a portion of the federal financial aid must be returned. The amount of aid returned is directly proportional to the length of time enrolled. After 60 percent of the semester is completed, all financial aid is earned. A billing will be sent indicating the amount of the repayment.

Financial aid can be awarded in the form of scholarships, grants, loans, and/or part-time employment. Detailed information and instructions on all financial aid programs may be obtained in person at the Campus Hub, 117 Centennial Student Union, by phone 507-389-1866 (V), 800-627-3529 or 711 (MRS/TTY), by e-mail to aid@mnsu.edu.

The Department of Residential Life oversees all on-campus residence hall hous-
ing and dining activities. Contact this office for further information concerning
on-campus housing and dining or to acquire contract forms.

Students can select their own living situations from a variety of options. While
there is no on-campus live-in requirement, first-year and transfer students are
highly encouraged to live on campus to help with their adjustment to Minnesota
State University, Mankato. New students will find living in residence halls a
good idea: GPAs are higher and students who live on-campus are more likely to
graduate. About 3,000 students are able to take advantage of on-campus living.
It gives them an opportunity to meet other new students and get involved in
social and academic support activities; they don’t have to worry about cleaning,
making meals, light, phone, cable or heat bills and can concentrate on school;
and best of all, they live right on the campus.

UNIVERSITY RESIDENCE HALLS

Students desiring the convenience of living on campus may live in either Craw-
ford, McElroy, or Gage Complex. Maverick Hall, a housing option designed
especially for first-year students, is housed in Gage Complex.

Residence Hall Living. The residence life program at MSU is designed to provide
a variety of opportunities and experiences that enhance and support students’ aca-
demic experiences. There are a number of living-area choices available, including
floor environments focusing on quiet-study, upper-class students, intercultural
students, engineering, and substance-free areas. All MSU residence halls are
smoke free. Residence hall staff are carefully selected and extensively trained to
meet the needs of residents, and a large number of educational and personal devel-
opment activities are planned by the staff and student governments throughout
the year. There are also many social and recreational programs offered.

Furnishings and Services. Rooms are equipped with single beds, mattresses,
blinds, drawers, closets, desks, telephone lines, cable service and internet service.
Most rooms also have a sink. Bedding and telephones are not provided. Most
students live in double rooms with only one roommate, although some triple
rooms, single rooms and suites are available.

Dining Service. Five meal plans are available. Students may opt for the 19, 14,
10, 75 or 115 meal plan. The 19, 14 and 10 meal plans allow students to eat 19,
14 or 10 meals, respectively, of the 19 meals served each week. The 75 and 115
meal plans allow students to eat any 75 or 115 meals respectively per semester.
A small percentage of assignments are also made to students desiring only a
room contract; however, most students have found that eating in the dining hall
is more convenient and cost-effective. All contracts include a minimum of 75
Flex dollars each semester. Flex dollars allow you to purchase anything you like
at any time at any campus dining outlet. You may also opt for the larger Flex
plans of 125 or 175 Flex dollars per semester.

Costs

Residence hall costs vary according to the type of room, meal plan and length
of semester.

As a guide, the cost of a double room with 19 meals per week and 75 Flex dol-
ars for 2005-2006 will be $4,814.00.

Please contact the Department of Residential Life for more information on the
cost of available room and meal options.

All rates are set each spring for the following academic year. The rates are subject to
change by the MnSCU board or the state legislature at any time.

Residence Hall Reservations. Admission to the University does not include
reservation in a residence hall nor does a receipt for room deposit indicate
admission to the University. Reservations are made in the order in which they
are received.
Application Procedure

Students who have applied for admission to Minnesota State University will receive a housing application form from the Office of Admissions along with the letter of official acceptance to the University. To reserve housing on campus, students should complete the housing application and return it along with a $100 prepayment to the Department of Residential Life. Admitted students may also apply online.

NOTE: Students with disabilities who have specific housing needs should identify their particular need on the application agreement.

Currently enrolled or previously enrolled students should contact the Department of Residential Life for housing application materials.

Policies and Regulations. All applicable policies and regulations are published in the Residence Hall Student Guide. A copy is given to each student who moves into the residence halls.

Semester Break/Summer Occupancy. Students who need to stay on campus during academic year vacations may stay in their own rooms during the breaks. Students should be aware, however, that they are responsible for their own meals during these times. Additional charges apply to remain on campus for winter break and summer session.

A residence hall on campus is always open for students attending summer school.

Specific information about summer housing is available beginning in the spring of each year. Current resident students may have to move to another location for summer housing.

Residence Hall Fee Payment. Residence hall payments are due upon receipt of the billing invoice. Payments can be made on an installment basis and/or by credit card. A hold is placed on the academic records of any student with past-due obligations to the University.

Off Campus Housing. For the MSU students who do not live in the residence halls, there are numerous off-campus housing available in the Mankato area, much of it very near to campus. Student Leadership Development & Service-Learning (SLDSL), 173 Centennial Student Union, 507-389-6076 or www.csu.mnsu.edu/comcon/off-campus.html, can provide a listing of nearby apartment complexes, representing more than 1,500 living units, with information on amount of rent, deposit, and length of lease. There is also a database of other rental options in the surrounding area, including houses, rooms, and more apartments for rent. Accessed by calling or visiting SLDSL in person. Monthly rental fees generally run $375-525 for a one-bedroom unit, $460-680 for a two-bedroom unit, and $590-1300 for a three- to five-bedroom unit. SLDSL also maintains a file of students seeking roommates. In addition to providing information on housing vacancies, staff can answer a variety of questions on off-campus living, or refer students to other sources on campus and in the community.
