Education in the Spanish language provides insight into the literature and culture of Spain, Mexico and the Spanish speaking countries of the Caribbean and Central and South America. It also gives students a knowledge of language that enables them to work and travel in areas where the target language is used. To facilitate these goals, the department has sponsored study abroad programs in Mexico, Costa Rica, Spain and Ecuador. Students who choose to take advantage of these programs, or of other accredited study abroad experiences in Spanish speaking countries, may receive credit if departmental approval is obtained in advance. Study abroad meets the state-mandated requirement for first-hand experience with target cultures for the BS, T. Study abroad is highly recommended for all majors and minors.

Admission to Major is granted by the department. Minimum University admission requirements are:
- a minimum of 32 earned semester credit hours.
- a minimum cumulative GPA of 2.00 ("C").
Contact the department for application procedures.

POLICIES/INFORMATION

GPA Policy. A grade of "C" or better must be earned for major or minor credit.

P/N Grading Policy. Work done for a major or minor must be done for a letter grade above the second-year level. A grade of "P" must be earned for major or minor credit in all work done on a P/N basis.

Proficiency Policies. Students who wish to receive credit by examination may take tests to have their proficiency evaluated. Students may not take a proficiency test for a course in which they are enrolled. Students who have any previous Spanish experience or instruction must take the computerized Spanish Placement Test and/or see a Spanish faculty member for placement advice before enrolling in a Spanish course. Contact the Department for details.

Fulfilling BA Language Requirement. Students who wish to validate the BA Language requirement for previous study in Spanish may do so by taking credit by exam (see above section). Students do not meet the BA language requirement merely because they have taken two years of high school language.

Residency Requirement. Transfer credits will be applied only if they are the equivalent of work offered by the Department of Modern Languages for the major or minor in that language. In addition, a minimum of work must be taken at Minnesota State Mankato as follows. Major: A minimum of three upper division courses other than Independent or Individual Study, for a total of at least 8 credits. At least two of these courses must be at the 400 level. Minor: A minimum of two upper division courses other than Independent or Individual Study, for a total of at least six credits.

Courses not required for a student’s specific baccalaureate degree should be chosen according to these general guidelines:
- BA: Emphasis on literature in upper-division courses; students will most likely pursue their education beyond the baccalaureate level.
- BS: Emphasis on the ability to communicate in the language; presupposes knowledge of culture and civilization; students frequently have career goals in other disciplines for which a language is either required or recommended.
- BS (teaching): Emphasis on communication (four skills plus culture and language analysis).
