The Career Development Center (CDC) offers services to ALL Minnesota State Mankato students — no matter what stage of academic and career planning they are in. Major services include:

The CDC Website. The CDC web site is a comprehensive tool that students can use to access a wealth of career planning and job search information including:
- Detailed information on all of our services, including a calendar of career fairs and events.
- Online workshops on exploring careers and searching for jobs.
- Online Minnesota State Mankato Job Search Handbook and Handbook for Choosing or Changing your Major.
- A list of books and other resources available in the CDC Career Resource Library.
- Access and information on our exclusive online system, mavjobs.com.
- An online Career Success Plan for Minnesota State Mankato students.
- Minnesota State Mankato's Graduate Follow-up Report information.
- Hundreds of links which connect students to career exploration and job search information, employers, events, etc.

Career Resource Library. Career exploration and job search books are available for checkout from the CDC with your mavcard. The CDC Library also offers weekly "CDC Quick Stop Walk-in Hours" for quick career and job search questions, resume reviews, interview tips, graduate school planning, internship search help, a place to start with choosing your major, etc.

Undeclared Majors Services. Includes individual career planning appointments and tools which include use of the Strong Interest Inventory, Myers Briggs Type Indicator, and Focus online career exploration system.

Job/Internship Search Advising & Assistance. CDC staff and services are available to assist with part-time and seasonal jobs, internships, and degree-required employment. Assistance is provided through classroom and group presentations on topics such as resume writing, job interviewing and job searching; weekly CDC "Quick Stop Walk-in Hours" (see website for hours); and individual resume and job search strategy assistance. In addition, a number of special events are sponsored and co-sponsored by the CDC throughout the academic year. These include: the Fall Career and Internship Expo; Minnesota Education Job Fair; Minnesota State Mankato Summer Job Fair; Social & Behavioral Sciences Career Day; State Universities Job and Internship Fair; and others.
Extending Learning offers concurrent enrollment through our Partnership for Academic Advancement. Concurrent enrollment is offered in area schools as provided in Minnesota Statutes Chapter 123D.09, Board Policy 3.5 and 3.5.1 of the Minnesota State Colleges and Universities. Further information is available at www.mnsu.edu/ext or in high school counselor offices.

Continuing education short courses, workshops, and seminars for professionals who are seeking to update and/or improve their skills and knowledge and maintain their certifications are available through Extended Learning. Workshops, seminars, and courses can be designed to fit the needs and goals of any business or organization and delivered at the employer site, on campus, or another appropriate location.

Visit www.mnsu.edu/ext for a current listing of courses offered through Extended Learning.

**First Year Experience**

**First Year Experience**
10 Gage Complex
Phone: 507-389-5498

Minnesota State Mankato recognizes the academic and personal challenges faced by first-year students. The First Year Experience (FYE) program is designed to enhance and support new students success.

**Orientation.** Extensive summer programs are designed to familiarize new students with the college environment, provide advising, and assistance with registration. Orientation programs are also available for students entering Spring term.

Special orientation programs are provided for international students. Many departments welcome students each year with informal orientation programs.

Invitations and information about the programs are sent to students. If you have any questions or orientation or entering the University, contact the Office of First Year Experience.

**Academic Success.** FYE provides academic advising for all undecided/pre-major students at Minnesota State Mankato, personal and academic transitional support for the first year students, and assistance with major selection.

FYE helps students address academic difficulties early through the midterm reporting system. Through this system FYE contacts professors of all students who have earned fewer than 24 semester credits, asking for a midterm progress review. A follow-up contact is made with students in academic difficulty. The follow-up is made by an Academic Advisor and is designed to offer academic support resources and the option to meet personally with an academic advisor.

**The First Year Seminar.** This one-credit general education course introduces first-year students to the academic community. The course focuses on enhancing communication skills, critical thinking, and examining the components of a successful first year transition, both personally and academically. Classes are small, giving students and professors an opportunity for lots of interaction. This course meets once a week for 50 minutes.

**Probation Advising Plan for First Year Experience Pre-Major Students.** FYE takes the following steps to notify and support students facing academic probation:

1. Within the first weeks of the semester, the First Year Experience Office will contact undecided students who are on a academic probation.
2. Undecided students on probation will be instructed to attend a group intake session offered by First Year Experience before the end of the first month of the academic term (dates will be sent to students).
3. Undecided students will complete a self-assessment form after the group intake process.
4. After the intake process, students set up an individual appointment to meet with their academic advisor.
5. At the meeting with the advisor, students will complete an Academic Improvement Plan.
6. Upon satisfactory completion of the plan the academic advisor makes the recommendation to the Assistant Director for Advising Support Services to have the student’s hold lifted.

7. Undecided probationary students must demonstrate satisfactory completion of their Academic Improvement Plan. Failure to do so will delay priority registration, impact support for other academic actions, i.e. suspension and/or financial aid reinstatements.

8. After registration has occurred, the hold is reinstated.

**Learning Communities.** Learning Communities are groups of 15-25 students who take fall semester courses together and live on the same residence hall floor. Participants develop lasting friendships with students who share common interests and have the opportunity to interact with select faculty. Each learning community has a Learning Community Coordinator (LCC), an upper-class student dedicated to the academic success of every member as they transition to college life at Minnesota State Mankato. The Learning Community Coordinator assists each student in setting and achieving academic goals, develops study groups for the community, and plans community events.

**Honors Program**

**DIVISION OF INSTITUTIONAL DIVERSITY**
265 Morris Hall
Phone: 507-389-6125

The Division of Institutional Diversity cooperates with existing student services and seeks to improve the socio-educational climate to make educational experiences more meaningful to students from diverse racial and cultural backgrounds. In addition to providing support services and cultural awareness activities, the program works with academic departments to increase diversity in curricula. See Office of Multicultural Affairs section. An extension of the program, the Intercultural Student Center, located at 269 Centennial Student Union, provides social and cultural opportunities.

**ELIZABETH & WYNN KEARNY INTERNATIONAL CENTER**
250 Centennial Student Union
Phone: 507-389-1281
www.mnsu.edu/ic

The International Center (IC) is the information hub for all things international at MSU. In addition to meeting new friends from around the world and learning where students can study abroad, the International Center coordinates and implements international social and cultural activities to promote international awareness and understanding on campus.

The IC is made up of two divisions: Study Abroad and International Student and Scholar Services. IC study abroad advisors provide information and guidance to students and faculty about the many different academic opportunities abroad. Students receive help at every step to facilitate their study in a different culture. The office operates with proper procedures to comply with all legal requirements for the institution, sponsors and student participants. The office is responsible for publicizing and marketing various opportunities for study. It is also the designated overseer for all institutional agreements between Minnesota State Mankato and programs abroad.

The International Student and Scholar Services (ISSS) staff assists international students with advice about academic, immigration, personal, social and financial issues. There are approximately 500 international students representing more than 60 countries at Minnesota State Mankato. The International Center serves as the official contact agent between the U.S. Department of Homeland Security, other government agencies, and the University community.

The ISSS also processes J-1 immigration documents for visiting faculty and scholars.

**Health Insurance.** Health and Accident insurance is REQUIRED for all international students and their dependents studying at Minnesota State Mankato on an F-1 or J-1 Visa. All newly arrived international students are required to subscribe to the University’s designated health plan prior to enrollment. Health insurance is required for the entire period of study at Minnesota State Mankato – including the summer.

**In-State Tuition Cultural Contribution Scholarship.** International students can receive an In-State Tuition Scholarship which is renewable if the student maintains the required academic qualifications and cultural contributions. International students are granted in-state tuition their first semester at Minnesota State Mankato.

**New Student Orientation.** All new and transfer international students are required to attend the International New Student Orientation program before they receive authorization to register for classes. An orientation fee will be charged to each new International student who enrolls at Minnesota State Mankato.

**English Placement Test and ESL.** New and transfer students whose native language is not English are required to take the English Placement Examination prior to enrolling in classes. This applies to both undergraduate and graduate students, as well as to transfer students below the Modern Languages determined TOEFL minimum or appropriate transfer English course work. Based on performance, students may be required to enroll in English as a Second Language (ESL) classes, beginning their first semester on campus, until authorized by the ESL instructor as eligible to enroll in English Composition 101 or waived of further requirements in case of graduate students. If a student fails to meet this requirement, a hold will be placed on the student’s records. ESL for undergraduate students is not a substitute for English Composition 101 for general education requirements. Questions concerning ESL can be referred to the Department of Modern Languages at 389-2116.

**International Students in U.S. Higher Education Course.** The University requires all new international students to register and complete the course: “International Students in Higher Education” during their first semester on campus. Students who have attended other U.S. institutions for more than one year are waived from this requirement. The course is offered through the K-12 and Secondary Program Department.

Welcome to the Women’s Center. It’s called the Women’s Center because we just can’t call it the “Come on in and Relax and Put Your Feet on the Chair Center.” It doesn’t fit on a sign and we only have so much furniture.

Plus, we really are a women’s center. For starters, there are lots of women here. Very cool, friendly students and staff who know the campus and can help with any question about the university or getting through it. That’s if you need help – you’re also welcome to drop by for nothing more than to meet some new people, talk about whatever’s on your mind or just catch some easy time.

Located on the second floor of the Centennial Student Union, The Women’s Center is an ideal place to take a break, yet we’re also a good resource for students who want to plug into issues on campus and beyond. Close to home, we’re committed to making the campus community safe for women, and we’re proud to house the office of Sexual Violence Education, available for all students, all the time.

We also serve as a place that can help you get your concerns heard, whether they’re of a confidential nature or a public one. Your secrets are safe here, and so is your lunch (we have a nice fridge and a microwave).

It can be easy to feel lost in a large university – we’re here to help you use your individual strengths, passions and confidence to help you succeed in your time here and afterward. We’re like your personal cheerleaders – minus, of course, the pompons and coordination. We don’t care how you vote, where you’re from or what you eat; You’re welcome here. Period.

Not a woman? All the better – come in and see what we’re about. Chances are you know one, and if she finds herself with issues of self-confidence, alienation or a career crisis, you can be the enlightened friend who recommends a stop to the Women’s Center. Our goal is to help more women on this large, busy and diverse campus feel confident, proud and welcome.

The Women’s Center has a number of opportunities for involvement as well, like designing campus-wide programs to bring in great guest speakers and shaping how we celebrate Women’s History Month. Academic credit is available for internships that involve research and leadership within the Center. Volunteer opportunities abound. We’d love to hear your ideas and suggestions. For more information, stop by the Women’s Center in CSU 218. We’re looking forward to meeting you.
Student Activities is the place to get involved on campus and to learn more about specialized resources and support. Studies show that students who get involved right away get better grades, stay in school, secure a job sooner after college, and make lifelong friends. Don’t wait!

Recognized Student Organizations. At MSU, there are over 200 student organizations waiting for you. If you don’t see one you like, we will help you create your own. Getting involved helps build leadership skills, enhances your resume, and offers the opportunity to build lasting friendships.

Sororities & Fraternities. Are you interested in creating life-long friendships and connections? Then Greek Life may be just what you are looking for. Greek members are campus leaders that provide a network of friendship and support. Be a friend, be a leader, be unique, be Greek!

IMPACT Team. IMPACT is the campus activities board that plans homecoming, concerts, lectures, movies, and other campus-wide special events. If you are interested in the arts, music, marketing, or just want to get involved on campus, there is a place for you on the IMPACT team.

Nontraditional Students. If you are a parent, married, widowed, divorced, over the age of 24, a veteran, or commute over 15 miles, than you are a nontraditional student. Enhance your college experience by utilizing the resources and support provided by the nontraditional center and leadership group, now including specialized support for military veterans and for students with children.

Community Engagement. Learn more about your chosen field and about yourself while serving your community. The new office of Community Engagement helps connect students with businesses, service groups, and other community organizations. Through classes and service projects, students engage in active learning and develop leadership skills while making a positive impact on the community.

Jumpstart. Get involved in Jumpstart and serve as a mentor for a pre-school age child. Imagine the twinkle in their eyes when you help them build language, literacy, and social skills. As a Jumpstart Corps member you will receive an amazing experience, a $1000 educational award, and the reward of knowing you made a difference in the life of a child.

Campus Kitchen Project. Campus Kitchen is a groundbreaking initiative that involves college students in cooking and delivering meals to families and individuals who are in need. Choose to make a difference in your community and help end the cycle of poverty.
