Finance

College of Business
Department of Finance
150 Morris Hall • 507-389-1319

Chair: Stephen Wilcox
Hyuna Park, Joseph Reising, Roger Severns, Harold Thiewes

The objective of the department is to prepare students for entry-level positions in the field of finance. Five areas of emphasis are available within this major.

The undergraduate finance program deals with the theory, organization and operations of the financial system from both the social and managerial perspectives. Students are expected to develop expertise in making organizational and personal judgments and decisions involving financial data. Additionally, students present their analyses in both written and oral form.

Students may select and complete one or more of the following emphases: Corporate Finance, Financial Planning and Insurance, General Finance and Investment Analysis, and Institutional Finance

Admission to a Major in the College of Business. Admission to a major in the College of Business typically occurs at the beginning of the student’s junior year. The student may choose to pursue a degree in one or more of the following COB majors: Accounting, Finance, International Business, Management, or Marketing. Multiple criteria will be considered for admission to a major in the College of Business. Admission is competitive; meeting minimum requirements does not guarantee admission. Deadlines for application are: October 1 for Spring Semester and March 1 for Fall Semester.

Criteria Considered for Admission to a Major in the College of Business
1. Cumulative (Including Transfer) Grade Point Average: minimum 2.7
2. Credits and Courses: 33 completed credits of the 44 general education requirements
3. Completion of the following courses: ISYS 101 (ISYS 110 for MIS majors) MATH 130, ACCT 200, B LAW 200, MGMT 200, Second Year Experience 201, ECON 201, ECON 202, ECON 207, and ACCT 210

Policies/Information

Academic Advising. Students will initially receive their advising from the professional advisors in the College of Business Advising Center. When a student applies to the College of Business, he/she will be assigned a faculty advisor in the major area of study. Questions regarding the assignment of advisors can be answered in the College of Business Advising Center, 151 Morris Hall, 507-389-2963.

Information Technology Initiative. Students with a major or minor in the College of Business are required to obtain a notebook computer with a standard set of applications from the Campus Computer Store at Minnesota State Mankato. Students who are majoring in other colleges may be able to enroll in non-notebook classes as they are offered. For further information, please refer to the College of Business section at the front of this bulletin.

College of Business Policies. Students who are business minors, non-business majors or those who are not seeking a four year degree may take up to 24 credits in the College of Business. Students must be admitted to the College of Business to be granted a Bachelor of Science degree in any College of Business major.

Residency. Transfer students must complete a minimum of 30 resident credits at the upper division (300-400) level in the College of Business at Minnesota State Mankato.

Transfer students pursuing a major or minor in the College of Business must complete at least 50% (one-half) of their major or minor coursework at Minnesota State Mankato.

No more than three of the required nine courses in a track may be transferred from another university and be applied toward the Finance degree, if a student is to be awarded a degree in finance from Minnesota State Mankato.

GPA Policy. Students must earn a minimum grade point average of 2.0 (“C”) on the total courses taken in the College of Business and a 2.25 overall GPA to meet graduation requirements.

P/N Grading Policy. No more than one-fourth of a student’s major shall consist of P/N grades.

Assessment Policy. The College of Business believes that the ongoing assessment of its programs makes a vital contribution to the quality of those programs and to student learning. Student participation is an important and expected part of the assessment process.

Internships. Students are encouraged to participate in business and industrial organizations through internship programs. Internships are available during the junior and senior years. Students interested in internships should interview early with the internship coordinator for enrollment in this program.

Student Organizations. Delta Sigma Pi is a coeducational business fraternity organized to further the camaraderie of business students and professionals. Delta Sigma Pi provides members the opportunity to network with current business students and alumni throughout the United States.

The Finance Club provides students with a direct link to professionals employed in finance positions. This is a professional and social club and all majors are welcome.

The Council of Student Business Organizations (COSBO), which is comprised of the presidents of the nine organizations and the college representative to the Student Senate, works directly with the Dean’s office in the coordination of activities of the various organizations and sponsors activities of their own.

FINANCE BS

Required General Education
ECON 201 Principles of Macroeconomics (3)
MATH 130 Finite Mathematics and Introductory Calculus (4)
