Chair: John Lindberg

The Department of Music provides the finest possible education for the prospective music teacher and professional musician and strives to enrich the lives of all university students. Professional programs are designed for music majors; general courses and many opportunities for participation in various musical groups are offered to non-majors.

Admission to Major is granted by the department in a two-step process.

Step One: Be accepted as a music major: Every new and transfer student will:
(a) perform a successful audition in their primary instrument or voice;
(b) pass diagnostic tests in music fundamentals/theory and aural skills.

Step Two: Be accepted to pursue a specific degree program offered by the Department of Music. This normally occurs by the end of the second semester of music study; in unusual circumstances, exceptions may be made to extend the time of acceptance upon approval of the music faculty.

University admission requirements for the major are:
1. Complete a minimum of 32 earned semester credit hours
2. Achieve a minimum cumulative GPA of 2.00 (“C”)

Department of Music for admission to a specific degree program in music are:
1. Good progress at a sufficient level in the private studio
2. A successful performance jury at the end of the first semester of private study
3. Completion of Theory I, Aural Skills I, and Class Piano I with a grade of “C” or higher
4. Participate in a music ensemble at a capable level of contribution and skill
5. For the BA or BM, a letter of recommendation from the student’s private studio teacher at Minnesota State University, Mankato (note that performance standards for the BM are significantly higher than for the BA or BS degrees in music)

Required for All Majors:
1. MUS 100 Recital Class (0 credits) according to degree requirements
2. MUS 1xx, Ensemble each semester in residence
3. MUS 2xx or 3xx, Private Lessons (1-3 credits) according to degree requirements

For details on these requirements, see the Undergraduate Music Handbook or a Department of Music Advisor.

POLICIES/INFORMATION

GPA Policy. Students must pass required courses under either a music major or the music minor with a grade of “C” or higher.

Students on academic probation must consult with the department chair.

P/N Grading Policy. No P/N grades are accepted for required music courses except where course is only offered P/N.

Transfer students who wish to major or minor in music will be evaluated by appropriate music faculty for proper placement in the music curriculum. These students must fulfill all graduation requirements of the Department of Music in both academic and performance areas.

Residency. In general, courses taken at another institution at the 300 or 400 level will not be accepted as transfer credit for music majors. Music majors must earn at least half of their music credits (including two semesters of private study) at Minnesota State Mankato.

Prospective music majors and minors must audition in their major performing area prior to registration.

All student taking private lessons will pay a fee for the lessons each semester.

Students interested in pursuing a major in music must contact the department for an advising appointment and audition.
