The college does not offer a degree entitled Allied Health and Nursing, but it
does include six academic departments and one school: Dental Hygiene; Family
Consumer Science; Health Science, Human Performance, Recreation, Parks and
Leisure Services; Speech, Hearing and Rehabilitation Services; and the School
of Nursing which offer a number of undergraduate academic majors and minors.
These include: athletic coaching; athletic training; alcohol and drug studies; child
development and family studies; communication disorders; community health;
consumer studies; corporate and community fitness/wellness; dental hygiene;
developmental/adaptive physical education; dietetics; exercise science; family
consumer science education; foods and nutrition; health and physical education;
nursing, recreation, parks and leisure services; therapeutic recreation; leisure
planning and management; resource management; sport management; sport
medicine. Post-baccalaureate work, leading to a Master’s degree is available
in many of the programs, along with a collaborative doctoral program in the
School of Nursing. In addition, the college coordinates Pre-Physical Therapy
and Pre-Occupational Therapy pre-professional programs.

COURSE DESCRIPTION

CAHN 101W (3) The Health Care Professions
This interdisciplinary course is designed to introduce students to health careers
and related professions. It is a writing intensive course preparing students to
become effective communicators within the context of health care settings.
