The law enforcement program is designed for individuals seeking a professional career in criminal justice and law enforcement. It is open to in-service students who wish to improve their basic education or complete their degree, and to pre-service students who may be interested in pursuing a career in law enforcement. This program aligns with the Criminal Justice - Law Enforcement Transfer Pathway.

In order to enter the law enforcement profession, applicants should be aware that physical, mental and background standards are set by the Minnesota Peace Officers Standards and Training Board and law enforcement agencies. Students should be aware that some criminal convictions prevent licensure as a peace officer. Law enforcement students should consider these standards.

POLICIES/INFORMATION

Admission to Major: Admission to the degree is granted by the department. Admission requires satisfaction of departmental GPA and course prerequisites as well as POST board documentation. Since these requirements are subject to change, students should contact the Government Department Office for current admission requirements. Both academic and physical agility standards are course requirements for which passing grades are necessary to graduation with the licensing degree option. Admission to the degree requires that a student must have completed 4 of the 6 lower division common core courses, LAWE131, and POL111 with a “C” or higher in each course, and a cumulative GPA of 2.6 or higher in the completed lower division core courses. Must have a cumulative GPA in the major of 2.6 or higher.

GPA Policy. Students seeking to graduate with a bachelor’s degree in Law Enforcement (licensing option) must have an earned 2.6 GPA in the major. They must also earn a grade of “C” or higher in the general education courses and the major common core courses.

P/N Grading Policy. All law enforcement classes except LAWE492 must be taken for a grade.

Repeated Course Policy. Students majoring in Law Enforcement may not repeat a course more than once, and no more than three different LAWE classes (including those accepted as transfer credits) may be repeated within a five year period.

Minimum Courses Policy. All students, including transfer students, majoring in Law Enforcement must take a minimum of five (5) different LAWE classes at Minnesota State Mankato for a total of not less than fifteen (15) credit hours. All students, including transfer students, majoring in Law Enforcement must take a minimum of three (3) different LAWE classes at Minnesota State Mankato for a total of not less than nine (9) credit hours.

Minnesota Licensure. This includes being certified in first aid and CPR (First Responder or EMT currently qualify). Only graduates of certified two and four year academic programs that also meet the requirements of the skills program providers may enter an integrated skills program. The license examination is administered by P.O.S.T and covers those items included in the P.O.S.T Board learning objectives.
