

Minnesota State University, Mankato - Aviation Flight Lab Course Fees

Fall Semester 2018, Spring Semester 2019, Summer Term 2019

Course fees billed by the University provide for flight instruction as noted below, which includes FSDO Approved Minimum Times per Training Course Outline (TCO), plus reasonable additional flight/ground instruction based on average training required to complete. Additionally, course fees include check ride, check ride examiner fee, and FAA written test costs as applicable.

Students will be required to pay North Star Aviation directly for excessive costs of training, if those costs total more than 3.5% over the established course fee amount.

No-show fees, if incurred, will be charged directly to the student by North Star Aviation.

Pilot supplies will be billed directly to the student by North Star Aviation.
