**Note:** When there are no members, or only one member, for a given category, no GPA data will be reported for that category. In previous reports, some members who were on "Military Leave" or away at an internship were included in membership statistics. On this report, only those who were Active or New Members are included in the academic section. On the membership report, other members are included in the overall total.

During Spring 2020, due to mid-semester changes necessitated by the COVID-19 pandemic, all Minnesota State Mankato Students were given the option to choose, on a course-by-course basis, whether to take a letter grade or a Pass/No-Credit option. Both individual and chapter Grade Point Averages only reflected those courses for which students chose to take a letter grade. The ability to not have lower grades impact a GPA may have resulted in a temporary inflation of the individual, chapter, and community GPA.
