

## Global Education Advisory Council Minutes

February 23, 2018

**Attendance: Azarbod, Brown, Bukralia, Finsness, Fleischman, Holland, Johnson, Mohapatra, Morson, O'Brien, Powell, Quintero, Robbins, Valencia.**

CIEE Faculty Development Grant subgroup members, Brown and Powell, reported on grant application updates. The council discussed desired modifications to the form. The subgroup will report in March with the updated form.

Travel Advisory subgroup members updated council members on the new U.S. Department of State Travel Advisory system and the procedure for travel approval for each advisory level:

Level 1 – No additional review

Level 2 – Review factors of Level 2 status as well as any additional advisory conditions within the country

Level 3 – Complete Request for *Approval of Travel to Country Under Level 3 Travel Warning/Alert* and return to GEAC. Travel may require additional steps to be approved.

Level 4 – No travel permitted

The subgroup will also review faculty and staff international travel requests in countries with a level 2 or 3 warning. Global Education will publish an official statement on the website with updated travel advisory information and approval process.

Dr. Nancy O'Brien introduced the 2018-2019 faculty-led program proposals and explained the proposal review process for the 2018-2019 academic year.
