HUMANITIES

We offer the Bachelor of Arts (BA) in Humanities as an interdisciplinary degree that examines common issues, ideas, and themes that run through different cultures and human history. The program focuses on the creative side of the human spirit and crosses the boundaries of our shared human experience. Students will study the roles of human expression in shaping how individuals and cultures understand their connections to each other and to the world.

PROGRAMS

DEGREES AND CERTIFICATES

- Bachelor of Arts in Humanities
- Humanities Minor

ABOUT THE PROGRAM

The Humanities Program examines common issues, ideas, and themes that run throughout different cultures and throughout human history. By studying literature, arts, history, science, architecture, and philosophical and religious traditions from ancient to contemporary times, students are able to understand their connections to each other and to the world.
