**\*Note:** When there are no members, or only one member, for a given category, no GPA data will be reported for that category. Additionally, members who were studying abroad, or who had been on Military leave, may be reflected in total chapter membership, but may have not been considered an "active member." For this reason, the total chapter membership may not simply be the sum of New Members and Active Members.

During Spring 2020, due to mid-semester changes necessitated by the COVID-19 pandemic, all Minnesota State Mankato Students were given the option to choose, on a course-by-course basis, whether to take a letter grade or a Pass/No-Credit option. Both individual and chapter Grade Point Averages only reflected those courses for which students chose to take a letter grade. The ability to not have lower grades impact a GPA may have resulted in a temporary inflation of the individual, chapter, and community GPA.
