Background

Minnesota State Colleges and Universities is the seventh-largest system of higher education in the United States. It is comprised of 32 two-year and four-year state colleges and universities with 53 campuses located in 46 Minnesota communities. The System serves approximately 240,000 students annually in credit-based courses, an additional 130,000 students in non-credit courses, and produces 32,000 graduates each year. For more information about Minnesota State Colleges and Universities, please view its website at www.mnscu.edu.

Minnesota State University, Mankato, a comprehensive university in the Minnesota State Colleges and Universities (MnSCU) system, is located on a 303 acre campus in Mankato, Minnesota, a community of approximately 42,000 situated in the Minnesota River Valley of south central Minnesota. The University offers a full range of undergraduate and a broad selection of graduate programs, and as such, has statewide responsibilities for the articulation of and providing access to professional programs not available at other colleges and regional universities. The University also has a major obligation to provide leadership in applied research important to the economy and quality of life in the state.

Founded in 1868, Minnesota State University, Mankato, has evolved from its beginnings as a normal school, to become in 1921 Mankato State Teachers College when it was authorized to offer a four-year curriculum. Because of its increasing commitment to providing more than teacher preparation, the name was changed to Mankato State College in 1957. The institution continued to grow in size and its reputation for academic excellence led to university status in 1975. Mankato State University became Minnesota State University, Mankato, in September 1998, giving further prominence to its growth to an institution recognized nationally.

The University is under the control and management of the Minnesota State Colleges and Universities (MnSCU) Board of Trustees, an agency of the State of Minnesota.

Total on-campus “headcount” enrollment for the fall beginning August 30, 2004 was 12,241 undergraduate and 1,408 graduate. Off-campus enrollment for the same period was 202 undergraduate and 272 graduate. The full-time equivalency (FTE) for Fall Semester was 11,469 (undergraduate on-campus). On-line and/or web Enhanced Learning generated 1,713 credit hours, a growing component of our enrollment statistical base.
