

2021-2022 | STUDENT

Quick Reference Tech Guide

MINNESOTA STATE UNIVERSITY, MANKATO
IT SOLUTIONS

Welcome! Students at Minnesota State University, Mankato have access to a suite of free software, services, and support to enhance your campus experience and get you real-world ready during your time here! We are committed to continually providing unique and innovative opportunities for students and instructors to experience hands-on technology.

FREE SOFTWARE

MICROSOFT OFFICE 365

Word processing, notes, email & more

Office 365 is available to students on the web and for download. Software includes **Word, Excel, Outlook, PowerPoint, cloud storage with OneDrive**, and much more!

Log in using **YourStarID@go.minnstate.edu** and your StarID password.

MAV LIFE MOBILE APP

Official University app

Get connected to campus with the **Mav Life** mobile app. **Connect** with friends, browse campus **events, track buses**, get assignment **reminders**, and more! Mav Life is available on the App Store and on Google Play.

ADOBE CREATIVE CLOUD IN COMPUTER LABS

And other specialty software

Use our computer labs to access **Adobe Creative Cloud**, including **Photoshop, Illustrator, and InDesign**. We also have STEM field software, like **Maple 15** and **StatTransfer 11**!

LINKEDIN LEARNING

Online video tutorials

LinkedIn Learning is an online learning platform that helps you **learn skills in business, software, technology, design**, and more. Thousands of top-quality courses taught by recognized industry experts!

EDUROAM

Official campus Wi-Fi

'Educational roaming,' or **eduroam**, is our **fast and secure Wi-Fi network** across campus for personally-owned devices like laptops and smartphones. Automatically connect to eduroam at any participating college or university worldwide.

3D PRINTING

Bring your designs to life

Our **3D printers** are located in the **IT Solutions Center in Wissink Hall 121**. Use your creativity to make 3D designs just for fun or to take your class projects to the next level!

Mav Life
your campus,
your way

Many of the other **software options** mentioned above are offered in **mobile versions**, too!
