

Sandra D. Haynes, Ph.D.
Chancellor
Washington State University Tri Cities

Education

- Ph.D.** Colorado State University, Fort Collins, CO
Emphasis: Experimental Neuropsychology
Re-specialization: Counseling Psychology
- M.S.** Colorado State University, Fort Collins, CO
Emphasis: Experimental Neuropsychology
- B.S.** Colorado State University, Fort Collins, CO
Emphasis: Psychology

Licensure

Psychologist, State of Colorado, license number X since 1997

Administrative Appointments, Major Responsibilities, Accomplishments

Chancellor, Office of the Chancellor, Washington State University Tri Cities, 2018-present

Responsibilities

Responsible for strategic direction, academic excellence, exceptional student experience, increasing research capacity, and all operations including financial stability and sustainability of Washington State University Tri-Cities. Establish and maintain relationships internally by creating a culture of trust and transparency and externally including community engagement, fundraising, and generating alternative sources of revenue.

Relevant Accomplishments

Crisis management—Developed, implemented, and participated in

- Overall crisis response strategies for campus emergencies including active shooter and weather and natural disaster events.
- Created an incident command structure using NIMS and ICS criteria in response to COVID-19 pandemic for response to recovery. Quickly and continuously adjusted to the rapidly changing landscape and prepared for any eventuality

including campus closure, research continuation, and virtual learning. Fall 2021 ready regardless of delivery mode with a High Flex model of instruction and student services.

- Chaired system-wide coordinating and information sharing committee to ensure a coordinated response to the COVID-19 pandemic across the WSU System.

Fiscal Management

- Eliminated \$2 million budget deficit in 2 years via creating efficiencies with staffing changes and LEAN processes, prioritizing positions and programs, and changing the administrative structure; exceeded the goal of a balanced budget in 5 years.
- Prepared for new budget cuts and uncertainties due to COVID-19 pandemic. Planning with the future and the best interests of the campus and community in mind.
- Developed the base for a program to provide corporate and continuing education to support the workforce of the Hanford Site that has a multi-billion dollar budget, an aging workforce, and significant training needs.
- Exceeded fundraising goals each year, raising over \$1.5 million in 2019/20 and on target for 2020/2021 including receipt of a \$500K gift to establish the Institute for Northwest Energy Futures.
- Began process for re-tooling class scheduling and degree offerings to meet the needs of campus, system, and the Mid-Columbia region to ensure the long-term fiscal health of the campus.
- Created and implemented a transparent, participatory budget process.

Diversity, Equity, and Inclusion

- Lead campus diversity, equity, and inclusion efforts including examining campus policies, practices, and procedures that are exclusionary, hiring practices, and creating the Community Classroom to host DEI presentations and discourse.
- Launched the first student and faculty inclusion center, MOSAIC, on a campus with large numbers of first generation students and students of color.
- Lead fundraising efforts to refurbish the Veterans Center and Memorial and create the General James Mattis Leadership Library to make the campus more welcoming to Veterans.
- Served on system task force to create fair and equitable hiring practices.

External relations—Focused on the development of strong and correction of strained community relationships

- Helped create three joint research institutes with Pacific Northwest National Laboratory (PNNL) to serve the WSU system as well as local interest, the latter focused on bioproducts research and creating a stronger tie between PNNL and WSU Tri-Cities.
- Worked to increase the involvement of WSU Tri-Cities in the growing and economically important energy sector by founding the Institute for Northwest Energy Futures.
- Renegotiated \$18,000,000 endowment from the Kadlec Foundation for nursing education to provide state-of-the-art educational programming for nursing students and garnered financial support from for the development of a social work program.

- Developed a partnership with Association of Washington Business, Tri-Cities Chamber of Commerce, and Columbia Basin College to launch a statewide internship portal.
- Significantly improved communication and marketing within the Tri-Cities community helping to keep the community informed and repaired strained relationships.
- Revamped long-standing community advisory committee with bylaws that created terms and set expectations for involvement and giving.
- Participated in weekly joint meetings of K-12 district superintendents and the local community college to coordinate on relevant K-20 pathway initiatives and COVID-19 planning.
- Created pathway programs with Columbia Basin College (Bridges) and neighboring Umatilla County in Oregon (I-82 Advantage) for seamless transfer to WSU Tri-Cities.

Strategic planning

- Created new strategic plan with widely inclusive input from faculty, staff, students, system leaders, and the Tri Cities community.
- Improved relationships/partnerships across the highly complex, matrixed WSU system including administrators, campuses, colleges, and research and extension centers. Served on the task force to create new structures and systems to help build coalitions, develop culture, and create efficiencies in service of a “One WSU” statewide education system.
- Participated in the system-wide Strategic Planning and Institutional Effectiveness Committee helping to create and move the first system-wide strategic plan forward.
- Participated on the System Budget task force to develop a system level budget model that increases collaboration and creates parity.

Facilities

- Oversaw the design of a new academic building that will break ground March 2021. Received full legislative requested funding of \$30 million with effective lobbying. Lead efforts to create fundraising collateral for building betterments and naming rights.
- Remodeled underutilized and outdated library space into a learning commons.
- Managed land assets including the sale of a parcel of land on the Hanford High School campus creating good will with the City of Richland and the Richland School District and increasing reserves for campus.

System and campus culture

- Worked with athletic department to secure full use of the WSU mascot on campus increasing campus spirit and sense of belonging and delighting the many WSU Cougar alumni in the community.
- Partnered with the College of Agriculture and Human and Natural Resource Sciences to create a joint degree program in Viticulture and Enology including sharing physical resources.
- Created model for shared governance that included all categories of employees within the Tri-Cities institution increasing trust and transparency.
- Increased sense of identity and belonging on campus for faculty, staff, and students.

Deputy Provost & Vice President for Academic Affairs, Office of the Provost/Vice President of Academic and Student Affairs, Metropolitan State University of Denver, 2016-2018

Responsibilities

- Responsible for academic affairs including supervising four academic deans (Colleges of Letters, Arts, and Sciences; Professional Studies; Business; and Education), associate vice presidents for undergraduate studies, graduate studies, faculty affairs, curriculum and academic effectiveness, and extended campus programs.

Relevant accomplishments

- Lead joint budgeting process with academic deans to level up funding and created an institutional view of academic planning and programming.
- Developed and implemented programs to serve students from application to alumni with a focus on increasing recruitment and retention rates.
- Implemented Office of Graduate Studies.
- Reorganized three Associate Vice Presidential areas including Undergraduate Studies, Faculty Affairs, and Curriculum and Academic Effectiveness to emphasize “customer” service, to meet training needs of constituents, and to further integrate Academic and Student Affairs.
- Developed and implemented a revised plan for extended campus programs, including a name change to “Innovative and Lifelong Learning,” to reflect an entrepreneurial mission for the unit that provided the best academic options and experience for all MSU Denver students while also increasing innovation and profitability.

Dean, College of Professional Studies, Metropolitan State University of Denver, 2005-2016 (School of Professional Studies 2003-2014; **Interim Dean** 2003- 2005)

Responsibilities

- Oversaw 11-13 diverse departments and 5 centers; 20 major and 29 minor programs; 2 graduate programs; 130 full-time and 230 part-time faculty, 15 administrators, and 22 staff; instruction delivered to over 4,500 undergraduate students and 180 graduate students. Departments included: Aviation and Aerospace Science; Criminal Justice and Criminology; Health Professions; Hospitality, Tourism and Events; Human Performance and Sport; Human Services; Industrial Design; Journalism and Technical Communication; Nursing, and Nutrition; Centers included: One World, One Water Center for Urban Water Education and Stewardship; Center for Effective Intervention; Center for Addictions Studies; Center for High-Risk Youth Studies; Center for Nonprofit Organization Administration; and Army and Air Force ROTC. (The Departments of Elementary Education and Literacy, Engineering Technology, Secondary Education, K-12, and Educational Technology, Special Education, Early Childhood Education, and Culturally and Linguistically Diverse Education were split off into a School of Education, Fall 2014.)

- Fiscally responsible for an annual operating budget of approximately \$500,000 with oversight of an approximately \$13,000,000 personnel budget. Advocated for resources and equitable and reasonable distribution of internal capital monies.
- Provided evaluations of faculty for the purpose of retention, tenure, and promotion within the College of Professional Studies. Participated on university and college committees and in the development of university policies. Provided strategic leadership to each department's program reviews and accreditation. Participated as a member of president's cabinet. Advocated for the college and university to the legislature. Taught a course for teaching assistants through the College.

Relevant accomplishments

Personnel—Extensive experience with personnel matters including faculty retention, promotion, and tenure decisions, staff and student worker annual evaluations, and faculty and staff grievances.

- Hired over 100 faculty since Fall 2003, one-fourth of whom were faculty of color.
- Developed strategic plan comprised of best practices for the recruitment and retention of faculty, especially faculty of color. Supported and utilized “grow your own” (Faculty Recruitment Incentive Program) and direct recruitment programs (Target of Opportunity Program) for underrepresented groups.
- Developed and implemented a faculty mentoring program and a colloquia series.
- Participated in the modification of criteria, performance indicators, and processes for the evaluation and advancement of faculty and chairs to conform with institutional policies.
- Member of the Handbook for Professional Personnel committee.

Strategic Planning—Participated in and/or lead strategic planning efforts for the following:

- Metropolitan State University of Denver
- Metropolitan State University of Denver Technology Services
- Metropolitan State University of Denver's HSI Initiative
- Center for Faculty Development
- College of Professional Studies
- College of Professional Studies Faculty Recruitment and Retention Plan
- School of Education at Metropolitan State University of Denver State (development of same)
- School of Education at Colorado State University
- Work-Life Balance Initiatives at Colorado State University
- Two strategic plans for the Denver Office of Drug Strategy

Fiscal Change—As a member of the universities budget taskforce, oversaw the

- Development of public-private partnerships
- Implementation of revenue sharing model for summer session
- Development and implementation of program fee model

Assessment—Led initiatives in developing assessment program for the departments.

- Initiated and monitored progress in departmental assessment of student learning, including the provision of training and peer oversight, for all departments.
- Created and filled new Associate Dean position with focus on assessment and accreditation.

Accreditation—HLC PEER Reviewer and AQIP Reviewer. Provided oversight for accreditation and/or re-accreditation self-studies and hosted site visits for the College Academic Programs including:

- Teacher Education (CAEP/NCATE)
- Engineering Technology (ETAC/ABET)
- Surveying and Mapping (ASC/ABET)
- Industrial Design (NASAD)
- Health Care Management (AUPHA)
- Athletic Training (CAATE)
- Center for Addiction Studies (INCASE)
- Human Services (CSHSE)
- Recreation (NRPA)
- Nursing (ACEN/NLNAC)
- Commission on Sport Management Accreditation (COSMA)
- FAA collegiate air traffic control training program

External Relationships—Lead initiatives in developing external relationships.

- Established solid department industry advisory councils.
- Facilitated close working relationships with community partners including the development of the first MSU Denver coop program, establishing student internships, and community engagement activities for service learning activities.
- Involved in legislative advocacy for MSU Denver and the Colorado Coalition of Deans of Education (CCODE).

Fundraising Highlights—Prospect research and donor relationship maintenance for support of the:

- Hospitality Learning Center, including \$1,000,000 naming gift from Marriott Corporation and \$1,500,000 gift to establish the Dimond Fellowship Program and Naming the Hotel Program, the first named program at the university.
- Brewing Sciences Laboratory Buildout.
- Aerospace Engineering Sciences Building, including \$1,000,000 endowment from Lockheed Martin.
- \$250,000 Public art donation, bronze entitled, “One world, One Water.”
- \$1,000,000 in funding to create a progressive educational program using the sculpture as inspiration for the One World, One Water Center for the Urban Water Education and Stewardship pilot program.
- \$410,000 in funds for the development of a Post-Baccalaureate Accelerated Nursing program.
- \$40,000 for Redevelopment of Racket Sports facilities to accommodate Mile High Squash’s after-school program for at-risk kids.
- \$13,000,000 *plus* in public grants (TQE and Title III).
- \$250,000 *plus* in appropriations, subsequently moving these from appropriation to a budget line item in the Library of Congress, with
- \$10,000,000 *plus* in funding for the Western Region Teaching with Primary Sources program.

Program Development—Membership and participation in program development.

- Key member of the planning committee for the Hospitality Learning Center and related curriculum.
- Member of the general studies revision taskforce.
- Assisted in the development of two graduate degree programs and the development of institutional policies and processes re: graduate programs.
- Development of new programs in the following: two Engineering degrees, Brewery and Brew Pub Industry Operations, Accelerated and Traditional Nursing, Nutrition, Integrated Therapeutic Practices, and Air-Traffic Control, and in interdisciplinary programs: Urban Water Education and Stewardship, Advanced Manufacturing, Environmental Engineering, Computer Engineering, and more.
- Development of dual enrollment and articulation agreements with community colleges across the state in nursing studies.
- Development of supplemental academic instruction for the college.
- Development of competency based curriculum for high demand certificates in health care.

Facilities Planning—Lead initiatives in facilities planning, including the

- RFQ and RFP process, program planning, and building of the Hotel and Hospitality Center, new athletic fields, and a new Aerospace Engineering Sciences building.
- Concept development for new student housing project.
- Planning of a new student success building and major re-design of facility space in current buildings, Tivoli brewery, and squash courts.

International Studies—Established partnerships with international universities.

- University of Pecs, Pecs, Hungary
- University of Skodra, Skodra, Albania
- University of Dortmund, Dortmund, Germany
- Dong-A University, South Korea
- University of the West of Scotland, Paisley, Scotland

Institutional Name Change—Participated in university and school initiatives.

- Participated in the process to change the name of MSU Denver including managing public relations.
- Led the change process from School to College of Professional Studies.

Interim Associate Vice President for Academic Programs, Academic and Student Affairs, Metropolitan State University of Denver, 2012

Responsibilities

- Oversaw University Honors program, International Studies program, Center for Applied Learning, Center for Individualized Learning, Innovation Center, Center for Urban Education.

Interim Associate Dean, School of Professional Studies, Metropolitan State College of Denver, 2001 - 2003

Responsibilities

- Fiscal management, part-time faculty management, chief student services officer, enrollment management, accreditation and program review coordinator for the School of Professional Studies. Oversaw School of Professional Studies Public Service Division comprised of six diverse departments and four centers with six major and 16 minor programs, and over 44 full-time and 28 part-time faculty and nine staff members. The departments included: Criminal Justice and Criminology; Health Professions; Hospitality, Travel, and Meeting Administration; Human Performance and Sport; Human Services; and Nursing. The centers included: Child Development Center, Center for Addictions Studies, Center for High-Risk Youth Studies, and Center for Nonprofit Organization Administration. The Division offered baccalaureate degrees to approximately 2,600 undergraduate students.

Relevant Accomplishments

- **Fiscal management** - Successfully managed the School's budget, including reallocating resources during sharp budget reductions.
 - **Curriculum** -
 - Coordinated curriculum development and ensured adherence to the academic standards and role and mission of the College.
 - Monitored online course and program development, ensuring consistency with on-site offerings and creating the first fully online available degree.
 - **Enrollment management** -
 - Managed course schedule, classroom, and facility management issues.
 - Creatively ensured space availability for SPS courses on a tightly scheduled, three institution campus, while maximizing enrollment within our departments.
 - Initiated annual career fairs to gain exposure for our majors.
 - **Program review & accreditation** - Oversaw internal program review and accreditation procedures.
 - **Communication** - Identified flaws in communication systems and implemented improved systems, including 10 departmental web pages and the School web page, and distribution of the academic calendar in a "user friendly" format.
- Chair**, Metropolitan State College of Denver, Department of Human Services, 2000 - 2001

Responsibilities

- Member of the dean's management group, responsible for official representation of the department and supporting the academic, professional and economic needs and interests of the department. Provided direction and leadership in curriculum and personnel matters. Responsible for the administration of the department, consistent with college policies and in accordance with the School mission and goals.

Selected Accomplishments

- Successfully managed operating budget of over \$23,000

- Solicited and received additional monies throughout the year for capital expenditures and computer hardware and software
- Developed first department strategic plan
- Oversaw all department committees
- Prepared well-researched, substantial departmental reports in a timely fashion
- Monitored the scheduling of classes
- Pioneered alternative modes of class delivery
- Hired and evaluated faculty and staff, including merit pay reviews
- Worked toward increased student recruitment and retention via innovative means, such as pairing student interns with alumni and implementing a new departmental peer advisor program
- Initiated fundraising activities for two endowed scholarships

Academic Experience

Professor, Metropolitan State University of Denver, Department of Human Services, 2016-present

Associate Professor, Metropolitan State College of Denver, Department of Human Services, 2000-2016

Assistant Professor, Metropolitan State College of Denver, Department of Human Services, 1994-2000

- Applied Behavioral Analysis for the Internet
- Ethical and Legal Issues in Human Services
- Gender Issues in Treatment and Recovery
- Grief Counseling
- Growing Old in a New Age
- Introduction to Human Services
- Introduction to Human Services Compressed Video Course
- Professional Internship
- Psychopathology and the Mental Health Clinician
- Psychopathology and the Mental Health Clinician for the Internet
- Teaching Assistantship
- Theories and Techniques of Counseling
- Thesis Writing for Human Services Majors

Instructor, University of Colorado at Denver, Department of Counseling Psychology and Counselor Education, Denver, Colorado, 2002

- Advanced Abnormal Psychology

Instructor, Front Range Community College, Department of Psychology, Westminster, Colorado, January-May 1995

- Death and Dying

Instructor, University of California, Davis, California, April-June 1994

- Applied Behavioral Sciences, Internship program

Instructor, Colorado State University, Department of Psychology, Fort Collins, Colorado, August 1987-May 1993

- Child Psychology
- History and Systems of Psychology
- Human Sexuality
- Introduction to Psychology
- Neuropsychological Assessment
- Psychology of Adulthood and Aging
- Sensation and Perception Laboratory
- The Human Brain and Its Disorders Laboratory

Clinical Work Experience

Psychologist, Private Practice, Denver, Colorado, December 1994-2002

Psychology Intern, University of California, Davis, Counseling Center, Davis, California, September 1993-August 1994

Clinical Assistant, Planned Parenthood of the Rocky Mountains, Fort Collins, Colorado, 1985-1993

Neuropsychological Technician, Center for Stress Management and Personal Growth, Fort Collins, Colorado, 1986-1987

Biofeedback Technician, Center for Stress Management and Personal Growth, Fort Collins, Colorado, 1986-1987
