

PSEO Student Advising Form – Transfer Planning

This form is intended to help PSEO students build their schedule for the upcoming semester. This form does not need to be collected by the PSEO Office.

How to Transfer Plan

Step 1: Determine what classes you need to take for high school – **PRIORITIZE THESE CLASSES**

Indicate all remaining high school graduation credits, along with how many college credits would satisfy that requirement. Be as specific as possible. (Ex: *Biology* vs *Science*)

0.25 high school credits = 1 college credit

1 high school credit = 4 college credits

Course Required	# HS Credits	# MNSU Credits

Step 2: Identify where you want to go to school after high school.

- College/university _____
- Major _____

Step 3: Research this college/university. Do they have a four-year plan for your intended major?

- Check their website
- Example: Iowa State University > Accounting
- Do they have a four-year plan for your degree? Use the four-year plan to help guide your degree planning
- Optional: meet with an academic advisor at their college/university to set-up a four-year plan

Step 4: Utilize Transferology to ensure classes will transfer from Minnesota State University, Mankato to your school of choice.

<https://www.transferology.com>

Future College/University Class	MSU Class Equivalent
Ex: University of Minnesota – Twin Cities PSY1001: Introduction to Psychology	MSU equivalent: PSYC 101: Introduction to Psychological Science

Step 5: Build your class schedule at Minnesota State University, Mankato

When making your class schedule for PSEO, please consider the following:

- High school schedule/flexibility to take PSEO classes
- Transportation to and from campus (if necessary)
- Extracurricular activities, work, and family life
- Workload, time management
- Transferability of courses

****You must budget 3 hours outside of class time to study for every hour you spend in class****

MSU Class Planning – Upcoming Semester: Schedule 1

MSU Class	Is this for high school?	Is this for college?	Does the class transfer?

MSU Class Planning – Upcoming Semester: Schedule 2

It's good to come up with 2-3 alternative schedules in case one or more of your classes fill up!

MSU Class	Is this for high school?	Is this for college?	Does the class transfer?

MSU Class Planning – Upcoming Semester: Schedule 3

MSU Class	Is this for high school?	Is this for college?	Does the class transfer?

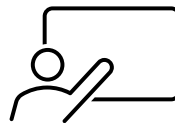

Academic success tips:

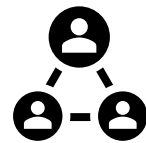

Get a **PLANNER** and time block when you are going to study, attend class, participate in extracurricular activities, and see family/friends.

Check your MNSU email daily – this is the main communication platform your professors will use!

Participate in class, ask questions, and attend professor office hours if you need help.

Attend MavPASS or Center for Academic Success study sessions. Tutors are available in most general education
