### Adding Courses to your Plan

There are several ways to add courses to your Grad Plan.

1. Drop and drag courses from the degree audit to the Grad Plan. Do this by clicking on a course in your degree audit, finding the semester you would like to take the course, and clicking again. See this example using ENG 101 and Fall 2022 semester.

# **Checking Requirements**

As you plan, be sure to check your plan against your degree audit to make sure requirements are being met. You can do this by clicking on the check box on the navigation bar on the top of the Grad Plan. It can take several minutes for this check to complete.

After checking your plan, your planned courses will show on your audit as PL in purple with the calendar symbol. You will also see planned courses in your audit on the top bar.
