#### **Maverick Summer Dining Dollars Plan**

*200 Dining Dollars for Summer, No Meals Included*

*Summer \$200*

The \$200 in Dining Dollars included with this plan can be utilized at any dining location on campus at any time of the day (when the locations are open). These Dining Dollars carry over from Summer to Fall and Spring Semester. Dining Dollars not used by the end of Spring Semester will be forfeited. Students are welcome to use their Dining Dollars to buy meals in the dining center at the per-meal door rate, as no specific number of meals are included in this plan.

Dining Dollars are not transferable to other people. You and you alone may use your Dining Dollars. Refunds may be available only if the student has withdrawn from the University or has written documentation of a medical or health problem which would impede the student's ability to remain on a Dining Dollars plan.

Charges for the Maverick Summer Dining Dollars Plan will be added to your University account. Payments for meal plans are due in accordance with the Payment Due Dates as outlined in the Student Guide to Financial Policies and Information. Failure to satisfy these financial obligations will result in the denial of further meals (without refund) and/or a hold on registration and official records.
