May 9, 2020

Dear Graduates,

Today is a momentous day and a time devoted to recognizing and celebrating your accomplishments, a day for family and friends to share in the completion of your academic journey. It is one of the most significant days of the year for most of us at Minnesota State University, Mankato—and for many of us, it is a day that we eagerly anticipate each year.

At the same time, please know we recognize it is a disappointment not to be together today. I imagine that you have been looking forward to putting on your purple cap and gown and marching into the Taylor Center with your classmates. Perhaps you have envisioned the moment when you'd cross the stage proudly holding your diploma and shaking my hand.

Even though we are not together, I hope that you somehow find ways to make today special. You have worked hard to get to this moment. The time you've invested in working toward your degree completion has been time well spent. You have earned this degree, and you deserve to celebrate it. Congratulations on a job well done!

You are now joining a community of more than 125,000 Maverick alumni who have taken their big ideas into the real world over the past 152 years. As part of this global #MavFam network, you will find opportunities to connect with fellow Mavericks in your workplace, in your neighborhoods and through special alumni events. The Alumni Association will make certain you know about future alumni gatherings.

Finally, because we were unable to celebrate in person today, I invite you to return to campus and take your much-deserved walk across the stage during Fall Commencement in December 2020. More details will be sent to you about that special commencement soon. I would love to see you there.

Whether you can join us then or not, please know that the invitation to come back and see us is always open—you are welcome back to campus any time! Stay safe and healthy.

All the best,

A handwritten signature in black ink, appearing to read "Richard Davenport", written in a cursive style.

University History

Mankato Normal School opened as the state's second teacher training school in 1868 in downtown Mankato with 27 students. Tuition was free in return for a student's pledge to teach two years in Minnesota's schools. Old Main was constructed in 1870, and this marked the beginning of the Valley Campus that would serve the institution for a century. In the 1880s, the school expanded and curriculum grew. In 1921 the school became Mankato State Teachers College, and in 1927 the institution awarded its first four-year degree, a bachelor of education.

In the late 1950s, the school was renamed Mankato State College, and construction began on the 300-acre Highland Campus. The College maintained two locations for several years. In 1975, the College received full university status. Four years later consolidation on the Highland Campus was complete. In 1998, for the fifth time in its 130-year history, the University adopted a new name to reflect expanded service to Minnesota and the nation. Minnesota State University, Mankato continues to gain renown for the quality of its programs and the breadth of its service.

Dr. Richard Davenport, appointed by the Board of Trustees of the Minnesota State Colleges and Universities, assumed his responsibilities as the University's twelfth president on July 1, 2002. Under Dr. Davenport's leadership, the University has embraced new strategic priorities; engaged in an academic master planning process; examined its commitment to diversity, and begun to take action to become a more inclusive and welcoming campus; and told our story further and wider than ever before, to legislators, leaders, parents, and alumni throughout the state and the nation.

Minnesota State Mankato offers more than 130 undergraduate programs and more than 85 graduate programs, including masters, specialist and doctoral programs. Our 15,000 students — including more than 1,100 international students from more than 90 countries — and 2,000 faculty and staff represent cultural diversity and a rich mix of intellectual and creative perspectives. Our alumni live and work around the globe, making professional and personal contributions that bring the proud Maverick tradition to new heights.

Minnesota State Mankato is on the Internet at <https://mankato.mnsu.edu/>.

Minnesota State University, Mankato Alumni Association

Congratulations on your graduation! And welcome to the Minnesota State Mankato Alumni Association, a powerful network of over 126,000 alumni. Our mission is to engage alumni, friends, and students in ways that benefit its members and Minnesota State Mankato, through opportunities that stimulate a lifetime of interest, loyalty and support.

As an alumna/us, you're a vital participant in the future of the University. To help you to maintain the connections you've built here at Minnesota State University, Mankato, we'll soon send you your first issue of TODAY, the University magazine for alumni and friends. To ensure that you continue to receive the magazine and to stay up-to-date with our alma mater, we invite you to update your contact information with us via e-mail at alumni@mnsu.edu or by logging onto the Alumni website at www.mnsu.edu/alumni.

We celebrate this proud day with you, and look forward to your continued association with Minnesota State Mankato!

Best regards,

Lisa Hughes, '05

Graduates of the University's Honors Program receive medals signifying their achievement of the program competencies of leadership, research, and global citizenship. The mission of the honors program is to provide students with exceptional learning opportunities, mentoring relationships, and a community of scholars that foster their development as future leaders in a global society.

Members of the Golden Key International Honor Society receive solid blue and gold honor cords or gold honor stole. Membership in Golden Key is conferred upon students who exhibit exceptional scholarship and leadership potential.

International Scholars receive a purple and gold sash with a global emblem. These graduates have gained unique global perspectives either by studying abroad or joining our university from other nations.

Members of the Maverick Army Reserve Officer Training Program (ROTC) receive the red, blue and white cord. The Maverick Army ROTC program trains, develops, and commissions students to become 2nd Lieutenants in the Army Reserve, National Guard and the Active Army. The graduating students signify the dedication, leadership, teamwork, critical thinking, and problem solving required to become future leaders in the Army.

In recognition of their scholarly achievement, each student who presents at the Undergraduate Research Conference (URC) is awarded a medal. A solid green ribbon is in recognition of participation at the URC while a green and gold ribbon highlights recipients of the Foundation Awards.

Presidential Scholar

Each year, Minnesota State University, Mankato seeks incoming first-year and transfer students who demonstrate top academic performance, strong leadership skills, and a commitment to community involvement. Funding for Presidential Scholarships comes from businesses, estates, and individuals throughout Minnesota and the nation. Minnesota State Mankato honors graduates of the Presidential Scholarship program.

Symbolism and Tradition

Procession

A traditional academic procession introduces the commencement exercises at Minnesota State University, Mankato. The wearing of distinctive apparel as an indication of scholarship and academic rank dates back to the 1300s and was adopted in the United States circa 1900.

Gown

The Minnesota State University, Mankato President's Academic Gown has been specially constructed of heirloom-quality materials for use during formal academic occasions. The bachelor's gown is relatively simple, falling in straight lines from an elaborate yoke. The master's gown is distinguished by its longer sleeves. The doctoral gown is purple, elaborately decorated with velvet panels down the front and three bars of matching velvet on the bell-shaped sleeves.

Mortarboard and Tassel

The square "Oxford cap" or mortarboard of serge or broadcloth is worn for most degrees, although a soft tam is also permitted. The tassel that hangs to the side is switched from the right to the left at the moment the degree is awarded. The color of the tassel indicates the college or area from which a student will receive his or her degree.

Hood

The hood is to be worn by graduates of the College of Graduate Studies and Research. The color of the hood worn by Master's and Doctoral graduates indicates the degree. The velvet edging on the hoods indicate the specialty of study.

Mace

The Minnesota State University, Mankato mace has been made entirely from Minnesota materials in recognition of the value and beauty of the state's natural resources and people. A university mace symbolizes both the university's power to overcome ignorance and prejudice by seeking truth, and the power of the university's president to protect the university and its community from forces opposed to those goals. The mace used in today's ceremony was commissioned and donated to Minnesota State by Fred and Karin Bock. The mace was created by Phil Swan '68.

Presidential Medallion

The Minnesota State University, Mankato Medallion is a round bronze piece that features the University seal and is worn around the neck of the President. The University seal is the official representation of Minnesota State University, Mankato, and use of it or its image is reserved for only the most dignified of occasions.

Minnesota State University, Mankato Flag

The Minnesota State University, Mankato flag features the University seal against a field of purple, one of the designated colors of the University. The flag was commissioned in honor of the October 2003 Inauguration of Dr. Richard Davenport to symbolize the President's chosen direction for his term. The seal is the official representation of Minnesota State University, Mankato and is used sparingly and with dignity. It represents our past and our future and symbolizes our strength and global perspective.

International Flags

The international flags represent countries and sovereign nations of our students. All 11 Minnesota Reservation flags are represented.

Honor Guard

The special honor guard presenting our national colors is from the Department of Military Science Department, Maverick Battalion, Army ROTC.

Faculty Honor Marshal

A faculty member from each college serves as an ambassador during their college's commencement ceremony and sits on stage with the platform party. Being a Faculty Honor Marshal is an esteemed privilege and is typically granted to a tenured professor or highly regarded individual.

The printed commencement program is a ceremonial publication. The program is not intended to be an official representation of University records. The use of this program to signify completion of a Minnesota State University, Mankato degree is strictly prohibited. This program was designed and printed by Minnesota State University, Mankato Printing Services.
