To Our Guests

Today we recognize our graduates' accomplishments. This ceremony is an important and meaningful occasion for students, their families and friends, and the faculty and staff of Minnesota State University, Mankato. We offer you the following guidelines to enhance the dignity and smooth flow of the ceremony:

Please withhold applause during the presentation of the degrees until all candidates for graduation have returned to their seats.

Please remain seated throughout the ceremony.

Please do not enter the aisles to take pictures or video of the graduates. Arrangements have been made to have three professional photos taken of each graduate. A professional DVD will be available for purchase as well.

University-Wide Honors and Distinctions

Baccalaureate students who have achieved high cumulative grade point averages wear gold medallions with colored satin ribbons. Gold ribbons signify summa cum laude (3.8 to 4.0 grade point average), purple ribbons signify magna cum laude (3.5 to 3.79 grade point average), and purple and gold ribbons signify cum laude (3.3 to 3.49 grade point average).

Members of **Phi Kappa Phi** wear white satin ribbons decorated with an ancient Greek pattern to symbolize the classical roots of the society. Phi Kappa Phi honors outstanding academic achievement among undergraduates, graduate students, and faculty members.

University Scholars, who are graduates of the University's Honors Program, wear gold stoles. The mission of the Honors Program is to provide top students with opportunities to pursue alternatives to general education, to meet at least weekly in small groups, and includes seminars, interdisciplinary seminars, service-learning, practicum, and a Senior Capstone Project.

Members of the **Golden Key International Honor Society** wear solid blue and gold honor cords. Membership in Golden Key is conferred upon students who exhibit exceptional scholarship and leadership potential.

International Scholars wear a purple and gold sash with a global emblem. These graduates have gained unique global perspectives either by studying abroad or joining our university from other nations.

Program Honors and Distinctions

Alpha Lambda Delta is an honor society for first year students earning a 3.5 or higher grade point average in their first year. Alpha Lambda Delta's mission is to encourage superior academic achievement, to promote intelligent living and a continued high standard of learning, and to assist students in recognizing and developing meaningful goals for their unique roles in society. ALD members wear red and gold honor cords.

Alpha Mu Gamma is a national collegiate honor society for students majoring or minoring in world languages. Minnesota State Mankato's Beta Zeta chapter was chartered in 1961. The purposes of the Society are to recognize achievement in the field of world-language study; to stimulate a desire for linguistic attainment; to encourage a continuing interest in the study of world languages and cultures; and to foster understanding of other peoples.

Members of the Alpha Delta chapter of **Alpha Phi Sigma**, the National Criminal Justice Honor Society, wear gold and blue honor cords. Membership in Alpha Phi Sigma is conferred upon Law Enforcement or Corrections majors who exhibit exceptional scholarship and leadership potential.

Symbolism and Tradition

Procession

A traditional academic procession introduces the commencement exercises at Minnesota State University, Mankato. The wearing of distinctive apparel as an indication of scholarship and academic rank dates back to the 1300s and was adopted in the United States circa 1900.

Gown

The Minnesota State University, Mankato President's Academic Gown has been specially constructed of heirloom-quality materials for use during formal academic occasions. The bachelor's gown is relatively simple, falling in straight lines from an elaborate yoke. The master's gown is distinguished by its longer sleeves. The doctor's gown is black, elaborately decorated with velvet panels down the front and three bars of matching velvet on the bell-shaped sleeves.

Mortarboard

The square "Oxford cap" or mortarboard of serge or broadcloth is worn for most degrees, although a soft tam is also permitted. The tassel that hangs to the side is switched from the right to the left at the moment the degree is awarded. The color of the tassel indicates the college or area from which a student will receive his or her degree.

Hood

The hood is to be worn by graduates of the College of Graduate Studies and Research. The color of the hood worn by Master's and Doctoral graduates indicates the degree. The velvet edging on the hoods indicate the specialty of study.

Mace

The Minnesota State University, Mankato mace has been made entirely from Minnesota materials in recognition of the value and beauty of the state's natural resources and people. A university mace symbolizes both the university's power to overcome ignorance and prejudice by seeking truth, and the power of the university's president to protect the university and its community from forces opposed to those goals. The mace used in today's ceremony was commissioned and donated to Minnesota State by Fred and Karin Bock. The mace was created by Phil Swan, a Minnesota State University, Mankato alumnus from Prior Lake, Minnesota.

Medallion

The Minnesota State University, Mankato Medallion is a round bronze piece that features the University seal and is worn around the neck of the President. The University seal is the official representation of Minnesota State University, Mankato, and use of it or its image is reserved for only the most dignified of occasions.

Flag

The Minnesota State University, Mankato flag features the University seal against a field of purple, one of the designated colors of the University. The flag was commissioned in honor of the October 2003 Inauguration of Dr. Richard Davenport to symbolize the President's chosen direction for his term. The seal is the official representation of Minnesota State University, Mankato and is used sparingly and with dignity. It represents our past and our future and symbolizes our strength and global perspective.

Honor Guard

The special honor guard presenting our national colors is from the Military Science Department, Army ROTC, Minnesota State University, Mankato. The flags displayed represent countries and sovereign nations of our students.

University History

Mankato Normal School opened as the state's second teacher training school in 1868 in downtown Mankato with 27 students. Tuition was free in return for a student's pledge to teach two years in Minnesota's schools. Old Main was constructed in 1870, and this marked the beginning of the Valley Campus that would serve the institution for a century. In the 1880s, the school expanded and curriculum grew. In 1921 the school became Mankato State Teachers College, and in 1927 the institution awarded its first four-year degree, a bachelor of education.

In the late 1950s, the school was renamed Mankato State College, and construction began on the 300-acre Highland Campus. The College maintained two locations for several years. In 1975, the College received full university status. Four years later consolidation on the Highland Campus was complete. In 1998, for the fifth time in its 130-year history, the University adopted a new name to reflect expanded service to Minnesota and the nation. Minnesota State University, Mankato continues to gain renown for the quality of its programs and the breadth of its service.

Dr. Richard Davenport, appointed by the Board of Trustees of the Minnesota State Colleges and Universities, assumed his responsibilities as the University's twelfth president on July 1, 2002. Under Dr. Davenport's leadership, the University has embraced new strategic priorities; engaged in an academic master planning process; examined its commitment to diversity, and begun to take action to become a more inclusive and welcoming campus; and told our story further and wider than ever before, to legislators, leaders, parents, and alumni throughout the state and the nation.

Minnesota State Mankato offers 150 undergraduate programs in six undergraduate colleges, and 82 masters, advanced certificate and doctoral programs in the College of Graduate Studies and Research. Our 14,000 students — including 500 international students from 68 countries — and 1,300 faculty and staff represent cultural diversity and a rich mix of intellectual and creative perspectives. Our 100,000 alumni live and work around the globe, making professional and personal contributions that bring the proud Maverick tradition to new heights.
