## Gown

The Minnesota State University, Mankato President's Academic Gown has been specially constructed of heirloom-quality materials for use during formal academic occasions. The mace used in today's ceremony was commissioned and donated to Minnesota State by Fred and Karin Bock. The mace was created by Phil Swan, a Minnesota State University, Mankato alumnus from Prior Lake, Minnesota.

## University History

Mankato Normal School opened as the state's second teacher training school in 1868 in downtown Mankato with 27 students. Tuition was free in return for a student's pledge to teach two years in Minnesota's schools. Old Main was constructed in 1870, and this marked the beginning of the Valley Campus that would serve the institution for a century. In the 1880s, the school expanded and curriculum grew. In 1921 the school became Mankato State Teachers College, and in 1927 the institution awarded its first four-year degree, a bachelor of education.

In the late 1950s, the school was renamed Mankato State College, and construction began on the 300-acre Highland Campus. The College maintained two locations for several years. In 1975, the College received full university status. Four years later consolidation on the Highland Campus was complete. In 1998, for the fifth time in its 130-year history, the University adopted a new name to reflect expanded service to Minnesota and the nation. Minnesota State University, Mankato continues to gain renown for the quality of its programs and the breadth of its service.

Dr. Richard Davenport, appointed by the Board of Trustees of the Minnesota State Colleges and Universities, assumed his responsibilities as the University's twelfth president on July 1, 2002. Under Dr. Davenport's leadership, the University has embraced new strategic priorities; engaged in an academic master planning process; examined its commitment to diversity, and begun to take action to become a more inclusive and welcoming campus; and told our story further and wider than ever before, to legislators, leaders, parents, and alumni throughout the state and the nation.

Minnesota State Mankato offers 150 undergraduate programs in six undergraduate colleges, and 82 masters, advanced certificate and doctoral programs in the College of Graduate Studies and Research. Our 14,000 students — including 500 international students from 68 countries — and 1,300 faculty and staff represent cultural diversity and a rich mix of intellectual and creative perspectives. Our 101,000 alumni live and work around the globe, making professional and personal contributions that bring the proud Maverick tradition to new heights.

Minnesota State Mankato is on the Internet at [www.mnsu.edu](http://www.mnsu.edu).
