Founded in 1989, the Mankato Area Council for Quality (MACQ) is a celebration of quality initiatives in the Greater Mankato Area. We are proud to partner with great organizations like the Minnesota Council for Quality and the local ASQ Chapter. Currently, we are 40 Corporate Members strong with 23 Board Members. Our Mission is to promote quality by providing: KNOWLEDGE for improved community, RECOGNITION of excellence and OPPORTUNITY to learn and network. MACQ increases awareness of Quality Process and Concepts, we provide access to quality resources and we recognize quality performance. MACQ was created to provide a hub for the sharing of ideas and experiences of how to ensure quality in the workplace.

Thank you to South Central College, Mankato Independent Originals, our speakers and the Board Members and Corporate Members of MACQ!
