Economics provides students with the basic analytical tools to understand how markets and economies work. It also provides students with the basic tools to analyze data for decision-making purposes. Students learn critical thinking and problem-solving skills suited for a wide variety of careers. Economics is an excellent major for students contemplating careers in business, government, and non-profits. It is also an excellent major for students preparing for graduate education in law school, MBA programs, and Economics.

POLICIES/INFORMATION

Admission to Major: Students enrolling in 300-400 level courses must be admitted to the program. Admission is granted by the department. Minimum university admission requirements are:
- a minimum of 32 earned semester credit hours.
- a minimum cumulative GPA of 2.00 ("C").
Contact the department for application procedures.

P/N Grading Policy: Up to six credit hours of electives in the major may be taken as P/N grading. ECON 481 and ECON 498 must be taken as P/N grading.

GPA Policy: A minimum cumulative grade point average of 2.0 is required for all courses taken in the required economics core courses and required economics electives for the economics BS or BA major.

Center for Economic Education - Dr. Ashok Chowdhury, Director. The Center for Economic Education seeks to improve the teaching of economics in elementary and secondary schools. Working in close cooperation with the Minnesota Council on Economic Education and the National Council on Economic Education, the center provides teacher instruction, research, library lending and other services to area schools.
