The primary objective of the Department of Management is to offer a program of study with the aim of developing the technical, analytical and conceptual skills for future professionals of the private and public sectors. The program provides the student with fundamental principles and practices of effective management. Emphasis is placed on organizational functioning within changing socio-cultural, economic, legal and political environments. Students may select and complete one or both of the following emphases: business management or human resource management.

Academic Map/Degree Plan at www.mnsu.edu/programs/#All

P/N Grading Policy. No more than one-fourth of a student’s major shall consist of P/N grades.

Assessment Policy. The College of Business believes that the ongoing assessment of its programs makes a vital contribution to the quality of those programs and to student learning. Student participation is an important and expected part of the assessment process.

Internships. Students are strongly encouraged to participate in one or more internship programs related to their field of study before graduation. Qualifying internships may receive academic credit counting towards a student’s major, but are not required to be taken for credit. To receive academic credit, students must be registered during the semester the internship takes place. Registration instructions and other business internship resources can be found at: http://cob.mnsu.edu/internship/

Student Organizations. Delta Sigma Pi is a national coeducational business fraternity organized to further the camaraderie of business students and professionals. Delta Sigma Pi provides members the opportunity to network with current business students and alumni throughout the United States.

The Society for Human Resource Management at Minnesota State Mankato is an affiliated student chapter of the largest international professional organization for human resources. Students have the opportunity to network with human resources professionals, get insight from keynote speakers, receive helpful tips from a variety of workshops, and create connections with other students in a professional growing student organization. All majors are welcome.

The Enactus Team is a national, student organization within the College of Business that welcomes students from any major with an interest in Entrepreneurship and innovation.

The Council of Student Business Organizations (COSBO) which is comprised of the presidents of the student organizations and the college representative to the Student Senate, works directly with the Dean’s office in the coordination of activities of the various organizations and sponsors activities of their own.
