

# DENTAL HYGIENE

Minnesota State Mankato is one of the few dental hygiene programs in Minnesota to offer a Bachelor of Science in Dental Hygiene. Having a Bachelor's Degree in Dental Hygiene will allow students to develop a sound clinical and theoretical foundation and provide more options for job opportunities in the future. Most graduates practice dental hygiene in dental offices. Our simulation lab offers state-of-the-art training for students. Technology includes 100% computer-based patient charts, digital X-rays, and intraoral cameras.
